Dear Mr Ramsay

Thank you for your letter of 3 March regarding the restoration of the RNLI garden in Inverbervie and the excellent support received by pupils and teachers from Inverbervie Primary School.

It is important that young people are encouraged to take an active role in their local community and in doing so, gain knowledge and understanding of their own history, heritage and culture.

I am delighted you took the time to bring this to my attention. The restoration of the garden has shown what excellent work can be achieved by a community coming together and I have no doubt that the garden will be enjoyed by many, many people for years to come.

I wish you all the best for the re-dedication ceremony.

*Yours faithfully
Alex Salmond*
